

## **STATUS ALERT NOTICE**

### **CITY OF LOS ANGELES SPARTA PROGRAM**

We have been advised by Municipality Insurance Services, Inc., the administrator of the SPARTA program for the City of Los Angeles, that the SPARTA program ceased issuing new insurance policies effective 12/1/2007 and has been suspended indefinitely due to adverse changes in the insurance market. All existing policies remain in force until their expiration date. Municipality Insurance Services will resume the program when a new insurance carrier can be found. In the interim, Municipality Insurance Services, Inc. may be able to help individual contractors on a case by case basis. For more information, please call Municipality Insurance Services, Inc. at **1-800-420-0555**.

All other City of Los Angeles contractors, consultants, service providers and tenants seeking quotes for general liability and professional liability insurance should contact their own commercial insurance agents, brokers or insurance carriers.
